FOR IMMEDIATE RELEASE:

Event/Medical Cannabis/Healthcare/Education

PITTSBURGH – (October 27, 2017) -- Compassionate Certification Centers™, a national medical cannabis healthcare network, recently announced its partnership with Pure Cannaceutical, to co-host the World Medical Cannabis Conference & Expo, April 12-14, 2018, at the David L. Lawrence Convention Center in Pittsburgh, PA.

Pure Cannaceutical is a premium line of hemp-derived products developed for health professionals and designed for patients. It is currently being stocked in 37 states by physicians and healthcare practitioners worldwide.

“Pure Cannaceutical is engineering medical-grade cannabis products and distributing on a national scale. We are honored to have them be our co-host as we set new benchmarks in the cannabis industry,” stated Melonie Kotchey, COO and co-founder of Compassionate Certification Centers.

The World Medical Cannabis Conference & Expo will feature educational workshops and panels, networking events, more than 150 exhibitors, and an Industry Excellence Awards Night. For tickets or information, call [1-888-316-9085](tel:1-888-316-9085) or visit www.compassionatecertificationcenters.com.

Pure Cannaceutical is a cutting-edge medical cannabis brand dedicated to maintaining purity, potency, and consistency throughout its products. Pure Cannaceuticals contain no pesticides and are 100% THC-free, providing a non-psychoactive treatment option for patients.

Ryan C. Early, CEO & Founder at Can-Tek Labs and parent company to Pure Cannaceutical, explained, “Our vision is to provide physicians with quality cannabis products that are made in the USA.”

Can-Tek Labs is an FDA registered and insured manufacturer. It also oversees Canna-Meds Global Incorporated, a business-to-business distributor, and CBD-enhanced bottled water company Quantum Dynamics.

“We are working everyday to delete the stigmas that surround the cannabis plant, and look forward to educating others at this international conference,” stated Erik Gregory, CEO of Quantum Dynamics Inc.
